

PREQUALIFIED ARCHITECTURAL SUBMITTAL SYSTEM

TRAINING CLASS

PASS

The **PASS** program has been designed to streamline permitting throughout the Sacramento region. It will provide a more efficient and effective plan review process by implementing a clear and concise set of standards for document content and organization. Participation is voluntary, and requires a half-day training class. Future classes will include annual updates and expansion of the program. The initial program is targeted at Tenant Improvements and Small Commercial Projects.

Jurisdictions involved in the program development included: Cities of Sacramento, Roseville, Folsom, West Sacramento and Davis; Counties of Sacramento and Placer, and Bureau Veritas. Additional jurisdictions are expected to adopt the program shortly.

WHO SHOULD TAKE THIS CLASS?

- ✓ Architects, Engineers, Contractors and Designers - anyone who can legally sign plans for commercial building projects – and who want the benefits of streamlined permitting at participating jurisdictions
- ✓ Plan review professionals from jurisdictions adopting or considering adopting PASS
- ✓ Anyone seeking knowledge of Construction Documents and the Permit Process

ABOUT THE CLASS

This four-hour training will familiarize attendees with all aspects of the PASS program including technical requirements for program participants. At the completion of the class, there is a short exam. Successful participants will be placed on a list of prequalified individuals who may sign off on PASS submittals.
