

Associate Architect (\$7631-\$9548) – Division of Engineering, Civil Engineering Branch, Architecture Unit, Sacramento, (Final Filing Date: 11/06/2017).

The Department of Water Resources (DWR) is currently advertising a vacancy for the Associate Architect classification. The Associate Architect is the full professional level position for the State of California. Incumbents will work under general supervision, independently perform difficult architectural work and may act as a lead person on more complex projects or in a lead capacity over architectural personnel.

In order to apply, please complete the online exam on the Cal-HR website using the link below, and then apply to the vacancy by following the instructions on the DWR website. People interested in learning more about the job vacancy and the State examination process should refer the links below and the DWR contact person.

Contact: If you have any questions about this position, or are interested in learning more about the State examination process, please contact Debbie Pearson at Deborah.Pearson@water.ca.gov or (916) 653-7368.
