AIA
Central Valley

Expand your influence in the Architectural Community...

Become an AIA Central Valley Sustaining Partner.

www.aiacv.org

WHY PARTNER?

OUR MISSION The mission of the AIA Central Valley Chapter is to demonstrate and promote the value and contribution of AIA architects.

AIA Central Valley (AIACV) was founded in 1942 and represents the interests of the architectural profession in 17 Central Valley counties. Our Sustaining Partners reach nearly 600 architects, design professionals, and students, as well as allied organizations each year through their affiliation with the Chapter. Become a partner of our organization—attend educational and social events, serve on Chapter committees, receive prominent recognition of your support, and most importantly, create and foster mutually beneficial relationships with AIACV members.

BUILD & SHARE KNOWLEDGE

As an AIACV Sustaining Partner, you'll receive all our communication and event notices to keep on top of trends and issues affecting your business and the design community. Consider becoming an AIA Continuing Education System (CES) provider and share your expertise or product with the membership.

COLLABORATE

Partnership includes Allied Membership in the Chapter and the opportunity to serve on a wide range of Chapter Committees. Each year our incoming President appoints an Allied Member to serve on the Board of Directors. Our Chapter appreciates the perspective and support our Sustaining Partners provide.

EXPOSURE & POSITIONING

At Chapter Events

Partners receive recognition at every Chapter event—large and small. The AIACV Chapter President or a Board member introduces your company and any attending staff personally. At our large events, Partners are listed on event signage and, depending on the support level, enjoy complimentary reserved seating. AIACV also collaborates with local allied organizations and each year holds joint events, expanding your exposure.

At our annual Board Installation and Members & Sponsors Appreciation event we present our Sustaining Partners certificates of recognition, alongside commendable members.

On the Chapter's Website & E-publications

Partner logos are prominently featured on the Chapter website as well as in all e-communication to members.

On Your Promotional Materials

Promote your partnership with the designation, "Sustaining Partner of the AIA Central Valley" on your promotional materials, website and business cards.

We are an active, engaged Chapter! AIA Central Valley has nearly 600 members, spanning 17 Northern California counties. Our members represent the top architectural firms in our region.

"From personal growth opportunities through education programs, to relationships and creative inspiration, being an Allied member of AIACV has paid dividends. I feel honored to be a part of this organization."

Carol Little, CEO, Corporate Design Group, Inc.

"The relationship between ARC and the AIA Central Valley Chapter has spanned many years. Even in the most challenging of times, our company has never reduced, nor have we ever questioned, our level of support. ARC's success and our mutual goals for this region and our industry are inextricably tied to our local AIA."

Kevin Grimes, Sales Manager, ARC Document Solutions
