

AIA CENTRAL VALLEY 2018 **Accessibility & Codes Courses**

Attendees taking any of the scheduled courses will receive a total of 5 ADA credits to meet their licensing requirement. AIA members will receive 5 Health Safety Welfare (HSW).

feb 28

Accessibility In A Day

5 HSW | Instructors: Mark Wood, CASp and Paul Klein, CASp

This seminar will include a brief history of federal and state accessibility regulations; how to avoid lawsuits for both you and your clients; a discussion on what minimum and maximum really means; elements most often designed or installed incorrectly; and scoping a project (including what regulations apply and where). There will also be a group break-out sessions and discussion. You may submit specific topics to AIACV up to one week in advance of the presentation for the instructors to address.

TIME: Door opens at **8:30 am**, class begins at **9 am** and runs until approximately **2:30 pm**

COST: **AIA Members, \$100** (+svc fee) **Non-members \$150** (+svc fee)

AAH Healthcare Focused Accessibility Course

5 HSW | Instructor: Bill Zellmer, AIA and special guest, Eric Jacobsen, AIA, AAH of OSHPD

This seminar is an advanced-level class which will present a methodical analysis of the accessibility requirements in Section 11B-805 of the 2016 California Building Code. The seminar will use case-studies of actual projects and make an abundant use of floor plans and photographs to clarify the code requirements as they specifically relate to healthcare facilities.

TIME: Door opens at **8:30 am**, class begins at **9 am** and runs until approximately **2:30 pm**

COST: **AIA Members, \$100** (+svc fee) **Non-members \$150** (+svc fee)

ABOUT OUR CASP-CERTIFIED INSTRUCTORS

Mark Wood, CASp and Paul Klein, CASp have been responsible for ensuring compliance with California accessibility requirements found in the California Building Code Title 24 and American With Disabilities Act for over 20 years. They own and operate California Certified Accessibility Specialists, (CalCasp) offering a full range of accessibility compliance services to assist businesses, property owners and architects in complying with Senate Bill 1608 and the Americans with Disabilities Act (ADA).

Bill Zellmer, AIA, CASp - Sutter Health Accessibility Architect is the in-house accessibility expert managing the accessibility upgrades throughout Sutter's 24 hospitals and 200+ medical office buildings. Bill's experience includes: Architect: 1987-2015; OSHPD: 1995-2009; Certified Access Specialist: 2010 - 2015; Accessibility Field Surveys: 2010 - 2015; Sutter Health Accessibility Expert: 2014-2015; Certified Access Specialist Institute (CASI) President: 2015-2016; CBSC Healthcare Advisory Committee: 2015-2018

Eric Jacobsen, AIA, AAH - Senior Architect, Office of Statewide Health Planning & Development (OSHPD) - Building Standards Unit has had the primary responsibility of drafting relevant code language as OSHPD amendments to the California Building Code, for Hospitals, Skilled Nursing Facilities, and Clinics licensed in the State of California. Eric's experience includes: Ex-Officio (State Agency) member of the Accessibility Code Advisory Committee for the California Building Standards Commission; Principal Architect of Jacobsen & Associates; Past President, AIA San Mateo County; Past Director, AIACC

All courses will be held at the **AIACV Office, 1400 S Street, Suite 100, Sacramento, CA 95811**
