

Architects and Architectural Designers

Immediate openings for architects and designers. Indigo Hammond + Playle Architects, LLP is a premier practitioner of climate-adapted design whose mission is to integrate architecture, art, and ecology in the built environment. We are looking for talent to help us achieve this mission and who have a passion for beautiful and sustainable architecture! Work in a zero-net-energy remodeled Dairy Queen designing low-energy and resilient buildings in a very collegial atmosphere. Competitive pay, good health and dental benefits, retirement plan, and personal leave policy. Desired: 1-10 years experience, ArchiCAD preferred. Check out www.indigoarch.com. Send resume and portfolio to Bruce Playle at bplayle@indigoarch.com.
