2019 BOARD INSTALLATION + MEMBERS & SPONSORS *Appreciation Event*

Join the AIA Central Valley Chapter for a special evening on the Old Sacramento Waterfront aboard the Delta King! We will formally install the 2019 Board of Directors, recognize our annual Chapter Commendation recipients, sustaining partners, and amazing volunteers, and bestow special awards from AIA California.

A highlight of the evening will be an opportunity to meet the leadership behind the Waterfront Idea Makers Competition and learn more about this exciting opportunity to reimagine Sacramento's iconic waterfront.

Top it off with hors d'oeuvres, hosted wine, and ample networking. Don't miss this great annual event to kick off the New Year!
