FIRST ANNUAL TOPGOLF NETWORKING EVENT

**A swinging fun game for all to play
- no golfing experience needed!**

We've teamed up to create a tee-rific Topgolf networking event this spring! Topgolf is a game anyone can play (and win). Gather with players in bays of 6 and score points by hitting micro-chipped golf balls at giant dartboard-like targets on an outfield. The closer you get your ball to the centre or 'bullseye' and the further the distance, the more points you earn. Our event will feature four associations of members enjoying two hours of Topgolf, a full breakfast & mimosas, appetizers, networking—and lots of fun!
