

Expand your Influence in the Architectural Community...

Become an AIA Central Valley
Sustaining Partner.

WHY PARTNER?

OUR MISSION The American Institute of Architects, Central Valley Chapter (AIACV) serves as the voice of the profession in our 17 county region of central California, and is dedicated to professional development, advocacy, and sharing the value and contributions of AIA architects.

Our Sustaining Partners reach nearly 600 architects, design professionals, and students, as well as allied organizations each year through their affiliation with the Chapter. Become a partner of our organization—attend educational and social events, serve on Chapter committees, receive prominent recognition of your support, and most importantly, create and foster mutually beneficial relationships with AIACV members.

BUILD & SHARE KNOWLEDGE

As an AIACV Sustaining Partner, you'll receive all our communication and event notices to keep on top of trends and issues affecting your business and the design community.

COLLABORATE

Partnership includes Allied Membership in the Chapter and the opportunity to serve on a wide range of Chapter Committees. Each year our incoming President appoints an Allied Member to serve on the Board of Directors. Our Chapter appreciates the perspective and support our Sustaining Partners provide.

EXPOSURE & POSITIONING

At Chapter Events

Partners receive recognition at every Chapter event—large and small. The AIACV Chapter President or a Board member introduces your company and any attending staff personally. At our large events, Partners are listed on event signage and, depending on the support level, enjoy complimentary reserved seating. AIACV also collaborates with local allied organizations and each year holds joint events, expanding your exposure.

At our annual Board Installation and Members & Sponsors Appreciation event we present our Sustaining Partners certificates of recognition, alongside commendable members.

On the Chapter's Website & E-Publications

Partner logos are prominently featured on the Chapter website as well as in all communication to members.

On Your Promotional Materials

Promote your partnership with the designation, "Sustaining Partner of the AIA Central Valley" on your promotional materials, website and business cards.

We are an active, engaged Chapter! AIACV has nearly 600 members, numerous committees, and wide variety of events throughout the year. Our members represent the top architectural firms in our region.

“Our partnership with AIA Central Valley has spanned many years, and through our relationship we have had the opportunity to partner on many educational and community programs—including Experience Architecture—that are of key importance and value to SMUD’s mission as a trusted community partner.”

Ray Nalangan, Senior Architect, SMUD

“From personal growth opportunities through education programs, to relationships and creative inspiration, being a Sustaining Partner of AIACV has paid dividends. I feel honored to be a part of this organization.”

Carol Little, CEO, Corporate Design Group, Inc.
